## About Us

Flytrippers is not just another employer. We are a dream come true for avid travelers and digital nomads—a fully remote company that understands that every wanderer doesn't want to be tied down to one spot. If you wish to, you can use the flexibility to travel more.

Our mission? To help travelers travel for less. We aim to become THE travel reference for Canadians and Americans with our 3 main types of content:

- Flight deals (great prices we spot)
- Travel rewards (points, miles, and credit cards)
- General travel content (tips/inspiration/news/etc.)

We are already one of Canada's most-read travel websites, with over a million page views per month. Our current team of 10 will grow by 50% with this hiring round to help us help more travelers, but we want to remain a fun and friendly team of travel enthusiasts!

- Liaise with writers to ensure efficient and timely publication of articles, to manage assignments and follow-ups, and to share notes and feedback so they can improve.

- Liaise with the administrative team to repurpose content into different formats for use on various platforms; long-form content into smaller standalone content pieces, articles into exhaustive guides, etc.
- Review translations from English to French and vice versa.
- Update older posts.
- Analyze web analytics data to gauge content performance and test new ideas to improve results.
