About Us

Flytrippers is not just another employer. We are a dream come true for avid travelers and digital nomads—a fully remote company that understands that every wanderer doesn't want to be tied down to one spot. If you wish to, you can use the flexibility to travel more.

Our mission? To help travelers travel for less. We aim to become THE travel reference for Canadians and Americans with our 3 main types of content:

- Flight deals (great prices we spot)
- Travel rewards (points, miles, and credit cards)
- General travel content (tips/inspiration/news/etc.)

We are already one of Canada's most-read travel websites, with over a million page views per month. Our current team of 10 will grow by 50% with this hiring round to help us help more travelers, but we want to remain a fun and friendly team of travel enthusiasts!

Role

We're on the lookout for an experienced full-stack developer to help us launch some specific new functionalities on the website.

Responsibilities

- Implement custom WordPress user accounts to manage flight deal alerts and exclusive features.
- Help design the email alert system using our current setup.
- Assist co-founders with all things coding-related.

What We Offer

- **Compensation:** Ranging from US\$25-\$45 per hour, depending on experience.
- **Fully-remote career:** Work from wherever you want, forever.
- **Flexibility:** Choose when during the week you want to work, just let us know the week before.
- **Hours:** This is a full-time position, from 30 to 40 hours per week as you choose.
- **Contract period:** 3-month initial period for this specific project, with possibility of more after according to needs.
- **Future benefits:** In the coming months, we are considering possibly moving to a traditional salaried model for those who prefer it.
- **Growth opportunities:** There's room for you to grow with us as we expand, your journey with Flytrippers could be just the start!

What Sets You Apart

- **Travel enthusiast:** Your passion for travel is more than a hobby; it's an integral part of who you are.
- **Coding expertise:** Your hands-on experience with PHP, WordPress, SQL, & Python.
- **Detail-obsessed:** You have an incredible attention to detail and strong work ethic.
- **Curious & quick learner:** You don't just stick to what you know. You're eager to pick up new tricks and skills.

If you're passionate about travel, and have a knack for all things related to coding, then join us. Let's help millions of travelers together!
